Southeastern District Police Community Relations Council

Check Presented to the Baltimore City Police's Mounted Unit

Baltimore, MD, 26, May. 10 - The Southeastern District Police Community Relations Council (SEDP-CRC) will present a check to the Baltimore City Police's Mounted Unit. The proceeds from this event were raised at their 4th Annual Bull and Oyster Roast.

The goal was to raise \$3,000 for this event, we are pleased to announce that we met and exceeded that goal. As a result of this effort, the SEDP-CRC check will be used to purchase a horse for the unit as well as help off set some overhead costs.

The check will be presented by the SEDP-CRC Council members and members of the Baltimore City Police Department to Sgt. John Ambrose of the Mounted Unit on May 26, 2010. Start time is 12:00 PM. 401 N. Holliday Street, Baltimore MD, 21202. The brief ceremony will start at noon and will be held at the stables where the horses are housed.

At that time, we will also announce the new name of the horse that the SEDP-CRC has selected for the newest member of this team.

Our next event is the 7th Annual Crab Feast will be held on September 19, 2010. 1:00-6:00 p.m. at the UAW Hall located at 1010 Oldham Street, Baltimore, MD 21224. The event is being catered by M&M Catering. At this event we offer a full menu, money wheel, theme basket auctions and theme basket wheels, basket of cheer and much, much more!

Proceeds will go towards Southeast families in need for the Christmas holidays as well as the BCPD Mounted Unit.

This event brings together members of the Baltimore City Police Department, local officials, community leaders and friends and supporters of the Southeastern District Police Community Relations Council together to build a stronger community and foster positive working relations with the Baltimore City Police as well as networking with fellow community activists.

The Southeastern District Police Community Relations Council is a citizens group dedicated to improving relations between the police and the community. The District Police Community Relations Council sponsors and fosters a variety of programs and activities designed to maintain public interest in quality police service. The Council's goal is to heighten the police department's awareness of the community's needs and to increase the community's assistance to the police department.
